

SENATOR LAMB: Yes.

SENATOR DECAMP: Okay, with that understanding and with the understanding that I will get protective armor when I walk out of here, I am going to support the amendment.

PRESIDENT: Senator Schmit.

SENATOR SCHMIT: Mr. President, first of all, I don't think Senator DeCamp will need any protective armor. He won't need it in the Rotunda. He may need it in Neligh, Nebraska, but he won't need it in the Rotunda, but there will be a demand for protective armor in more cities than Neligh, Nebraska and so he ought to get his order in early anyway. Since he is in an accommodating mood, I accept his offer and I am sure that Senator Lamb does also. I would hope that, John, your sense of accommodation will extend to an amendment which I have to offer and I am sure your being such a fair and statesmanlike gentleman, you will go along with it. I support the Lamb amendment and I urge the rest of you do likewise.

PRESIDENT: Okay, Senator Pappas, did you wish to speak? No need for that but thank you anyway. Senator Lamb, do you wish to close?

SENATOR LAMB: I would just ask that the amendment be adopted.

PRESIDENT: The motion is the adoption of the Lamb amendment. All those in favor vote aye, opposed vote nay. We are voting on another Lamb amendment to LB 835. Please record your vote. A simple majority holds. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 27 ayes, 2 nays, Mr. President, on adoption of Senator Lamb's amendment.

PRESIDENT: The amendment is adopted.

CLERK: Senator, did I hear you...Senator Lamb, did you want to withdraw that third, Senator?

SENATOR LAMB: Yes.

CLERK: Mr. President, in that case, Mr. President, Senator DeCamp would move to suspend Rule 6, Section 3 and Rule 7, Section 3 and vote on the adoption of the DeCamp amendment
